

# Where to Park During North-Side Plowing

This map was created by the Town of Alta to assist car owners with parking during “North-Side” plowing. During North-Side plowing, please do not park in the red-areas that are normally used as overnight parking. On these nights, please park in the designated area marked in green on this map. Thank you.

Map produced by Sam Goedecke, GIS Specialist, Town of Alta on 1/5/06.
