Re: Town of Alta Request for Proposals for Tow Truck Services

I have been contacted by a few companies with R-909 questions about the application and wanted to get this information to you all.

1. Office hours- compliance with R-909 hours is acceptable in our application. We are however interested to know additional availability if you provide it. As a resort community, all levels of service are important to us.
2. Fees- we wanted to know if you have a separate fee structure for services such as work specific for the Town of Alta. For example, taking one of our police vehicles to a repair shop or relocating vehicles at the Town's expense for unusual circumstances.
3. Any other questions? If anything else in our application seems in conflict with State of Utah rules, please reach out to me directly. I can be reached via our dispatch at 801-363-5105 or at mmorey@townofalta.com.

Thank you.
