April 2, 2023

For immediate release: Potential Extended Closures within the Town of Alta

The National Weather Service is calling for a major winter storm to impact Alta between the evening of Sunday, April 2, and Wednesday, April 5, with storm totals of up to 60" of snow and strong winds. [Click here for the forecast.](#) **SR 210 will close at 10 PM on April 2, Interlodge will go into effect at 11 PM, and there is no estimated time of opening as of 8 PM.** This storm has the *potential* to result in extended INTERLODGE and ROAD CLOSURES with limited ability to get people in and out of Little Cottonwood Canyon beginning with tonight's close and continuing until Wednesday, April 5th.

Town residents and guests are reminded:

- Have a supply of essential items on hand including food, prescription medications, charged cellphones, and fueled generators.
- The term INTERLODGE is an outdoor travel prohibition issued by the Marshal's Office. Violations of the order are a Class B Misdemeanor. Most importantly, lives can be lost.
- Some facilities have MAXIMUM SECURITY INTERLODGE PLANS. Be prepared to implement them on short notice.
- Please use this period before the storm to assess your property and prepare. Consider issues such as roof loading, clearing furnace ventilation areas to protect against Carbon Monoxide, access to natural gas meters and shut offs, and emergency exits.
- Follow Alta Central Dispatch on social media for alerts and updates. @AltaCentral on Twitter and Instagram.

Thank you in advance for your attention, patience, and cooperation.

Mike Morey
Town Marshal

Media Partners: We are in a planning phase and do not anticipate being available for interviews at this time. Thank you.
