For immediate release: Town of Alta Interlodge and Road Closure Update

The Town of Alta continues to be under an Interlodge Closure Order, prohibiting outdoor travel. Avalanche mitigation will be conducted this morning and may continue throughout the day.

A substantial amount of avalanche debris exists on SR210. Clearing this debris will be a large and time-consuming undertaking.

Utah Department of Transportation (UDOT) teams are working tirelessly to address the avalanche threat and highway clearing missions.

We do not have an estimate on times for lifting Interlodge restrictions or highway opening.

Please continue to monitor the situation via UDOT and Alta Central alerts on social media and the Town of Alta website, www.townofalta.com.

Thank you.
